Thank you for auditioning for

A CHARLIE BROWN CHRISTMAS - Tour 2021

ROLE: VIOLET/PATTY – DANCER

For your initial self-tape please prepare:

-Begin with a slate: Name, Height, Location and BRIEF sentence or two on what excites you about this project.
-Shoot in landscape, but include a full body shot.
- 16 bars of a song of your choice that demonstrates personality! If you don't feel like singing is your strong suit, keep in mind we are more interested in character and personality than pretty singing. This track will be a dancer track that sings within the ensemble.
-The side in this packet. You only need to tape this one side (yes, it's just a series of lines – go ahead and treat it like it's one character. We are really just trying to get a feel for personality and choices). With this one side, please include 2 different takes demonstrating different choices.
-Please include a dance reel or clip with this submission that demonstrates skill level and style.
-If you have any special skills on a professional level that might be useful to this show (instruments, juggling, acrobatics, physical comedy etc.), we'd love to see them included in your submission)

If you are called back for an in-person callback on 9/23 or 9/24, you will be emailed further instructions for callbacks.

Please reach out to charliebrownxmastour@gmail.com if you have any questions regarding self-tape material.

Thanks so much!

VIOLET & PATTY SIDES

Violet is not very nice. She thinks Charlie Brown is a walking disaster. Patty (not Peppermint Patty) is Violet's best friend who talks about how much they don't like Charlie Brown.

Charlie Brown

Thanks for the Christmas card you sent me, Violet.

Violet

I didn't send you a Christmas card, Charlie Brown.

Patty

Try to get snowflakes on your tongue. It's fun.

Violet

Oh no, we're doomed!

Patty

This will be the worst Christmas play ever.

Patty

Yeah. Do something right for a change, Charlie Brown.

Violet

Boy, are you stupid, Charlie Brown.

Patty

What kind of a tree is that?

Violet

I told you he'd goof it up.

He's not the kind you can depend on to do anything right.

Patty

You're hopeless, Charlie Brown.
